CAMPAIGNING

1. Candidates are responsible for the actions of campaigners who support their campaign for election, collectively known as a campaigns team. A campaigner is defined as someone who would reasonably thought to be acting on behalf of a candidate to further the election of that candidate.

4. Candidates and their campaigners should conduct themselves in a way that is respectful to others and must not engage in behaviour which is threatening, harassing or risking the wellbeing and safety of others.
5. Candidates and their campaigners must not use University or Students' Union resources to campaign except where explicitly permitted by the DRO.
6. Candidates and their campaigners must not state that they (or the candidate they support) have been endorsed by the Union or by individual members of Union staff.
7. Candidates and their campaigners must not cast, or attempt to cast a vote on behalf of another student.
8. Bribery of voters must not be used as part of any campaign.
9. Candidates and their campaigners must adhere to all existing wider laws and rules which govern individual and student behaviour.

1. The RO will take sole responsibility for interpretation of these rules and Union Bye-Laws.
2. For a complaint regarding an alleged breach of the Bye-Laws to be investigated, it must be made in writing using the appropriate online form to the DRO. The complaint must specify clear grounds referencing these rules.
3. The DRO will investigate complaints and refer matters to the RO for decision.
4. The RO can decide to act based on the outcome of decisions. This can include halting the election for specific posts, referring a matter to be dealt with by the Union or University disciplinary procedures or disqualifying candidates.
5. The RO's rulings shall take immediate effect.
6. Complaints must be received before the count begins and no later than one hour after the close of voting.
7. Complaints about the count must be made in writing using the appropriate online form to the RO or DRO before the announcement of results.
