JUICY TIPS

Publicity & Summary

- “I read their publicity” biggest reason why voters voted.
- Simple, specific and structured – the rule of three.
- Get feedback.
- Learn it in full.

The background image is a screenshot of a university nomination website. It features a list of candidates on the left, each with a profile picture and a list of bullet points. The candidates listed are Sayantan Patra, Steffan Huw Jones, Jessica Williams, Isabel Grace Anderson, Ciaran Campbell, and Grant Coleman. A modal window is open over the page, displaying the 'Additional Information for Steffan Huw Jones'. The modal contains two sections: a Welsh section and an English section, both providing a detailed statement from the candidate. The Welsh section discusses the candidate's passion for student opportunities and their commitment to the university. The English section provides a similar statement in English. The modal also includes a 'Close' button at the bottom right. In the top right corner of the background image, there is a red speech bubble icon with a white letter 'a' inside.

Additional Information for Steffan Huw Jones

Fel llywydd clwb chwaraeon a chymdeithas, dwi'n angerddol ynglŷn â'r cyfleoedd a roddir i fyfyrwyr. Dwi wedi gweld yr UM yn gweithio'n galed i ddarparu cymaint ag y gall ei wneud, ond mae'n ymddangos eu bod wedi'u llyffetheirio gan brinder buddsoddiad a'r diffyg sylw a roddir i gyfleoedd myfyrwyr gan y Brifysgol. Fy mhrif amcan ar gyfer y flwyddyn fyddai cael y brifysgol i ymateb i rai o'r cwestiynau anodd ynglŷn â chyfleoedd myfyrwyr, megis cyfleusterau sy'n dirywio a'r ymdrechion tilla a wneir o ran cynrychioli cyfleoedd myfyrwyr, yn y gobaith y gellir sicrhau ymrwymiad i gyfleoedd myfyrwyr at y dyfodol.

Yn ogystal â hyn, dwi am barhau i adeiladu ar y gwaith caled sydd wedi'i wneud eileni i gyd-drafod pris y Cerdyn Sborni. Dwi hefyd am sicrhau na chaiff unrhyw weithgareddau academiaidd, fel seminarau ac arholiadau tymor eu trefnu ar ddydd Mercher, er mwyn caniatáu i bobl nid yn unig gystadlu yn BUCS a chynrychioli'r Brifysgol, ond hefyd fel gall pobl gyfranogi yn yr amrywiaeth eang o gymdeithasau, cyfleoedd gwirfoddoli a chwaraeon sydd gan yr Undeb i'w cynnig.

Byddai pleidlais i mi'n bleidlais dros osod cyfleoedd myfyrwyr ar ben rhestr flaenoriaethau'r Brifysgol.

As a president of both a sports club and a society I am passionate about the opportunities given to students. I have seen the SU work hard to provide as much as they can but it appears they are hamstrung by lack of investment and attention given to student opportunities by the University. My main objective for the year would be to get the university to respond to some of the difficult questions about student opportunities such as the deteriorating facilities and seeming lacklustre efforts at representing student opportunities, in hope, to secure future commitment to funding opportunities.

On top of this I'd like to continue to build on the hard work done this year to negotiate the price of the Sporty Card. Also I'd like to see that no essential academic scheduled or unscheduled activities such as seminars and term examinations are allowed to be on Wednesdays to allow not only for people to compete in BUCS and represent the University but for people to partake in the wide variety of societies, volunteering options and sports that the Union has to offer.

A vote for me would be a vote to put student opportunities as the Universities top priority.

Speak to students

“Voters contacted face-to-face were 21 percentage points more likely to vote for the candidate after speaking with them for fewer than 10 seconds, compared with those left alone”

“The experiment found that voters called on the phone or sent postcards were not noticeably more likely to vote than those sent nothing. But canvassing was different. Just one in-person conversation had a profound effect on a voter’s likelihood to go to the polls, boosting turnout by a whopping 20 percent (or around 9 percentage points)”

“We find that a brief visit by the candidate dramatically increases the support for the candidate regardless of the nature of the message delivered. The actions of candidates seem to speak louder than words”
