1. What is it you are doing now? What career path did you go down/currently in?

Over the past year and a half I've lived down in Cardiff working as a Community officer for 'Urdd Gobaith Cymru' in the Mid Glamorgan area and then since Christmas I've returned back home to Anglesey and I'm now working as a Family Engagement Officer with the local Council.

2. What is your favourite memory of being an Officer?

It would be impossible to choose one moment from my time at the SU as a favourite, but getting to know my fellow SO's and making so many new friendships has to be at the top!

3. What advice would you give to anyone running for the role?

My advice to anyone thinking of running for the role is to just go for it! It's a great opportunity to pick up so many valuable skills, get to know more people and have the chance to give back to UMCA and continue to ensure that the Welsh Language is seen, heard and valued
