The screenshot shows a nomination page for 'Ailgored Enwebiadau | Re-Open Nominations'. A modal window titled 'Additional Information for Steffan Huw Jones' is open, displaying his publicity statement in Welsh and English. The background shows a list of candidates: Sayantan Patra, Steffan Huw Jones, Jessica Williams, Isabel Grace Anderson, Ciaran Campbell, and Grant Coleman. Each candidate has a profile picture and a list of their campaign points. The modal window for Steffan Huw Jones contains the following text:

Wel llywydd clwb chwaraeon a chymdeithas, dwi'n angerddol ynglŷn â'r cyfleoedd a roddir i fyfyrwyr. Dwi wedi gweld yr UM yn gweithio'n galed i ddarparu cymaint ag y gall ei wneud, ond mae'n ymddangos eu bod wedi'u llyffetheirio gan brinder buddsoddiad a'r diffyg sylw a roddir i gyfleoedd myfyrwyr gan y Brifysgol. Fy mhrif amcan ar gyfer y flwyddyn fyddai cael y brifysgol i ymateb i rai o'r cwestiynau anodd ynglŷn â chyfleoedd myfyrwyr, megis cyfleusterau sy'n dirywio a'r ymdrechion tilla a wneir o ran cynrychioli cyfleoedd myfyrwyr, yn y gobaith y gellir sicrhau ymrwymiad i gyfleoedd myfyrwyr at y dyfodol.

Yn ogystal â hyn, dwi am barhau i adeiladu ar y gwaith caled sydd wedi'i wneud eleni i gyd-drafod pris y Cerdyn Sporti. Dwi hefyd am sicrhau na chaiff unrhyw weithgareddau academiaidd, fel seminarau ac arholiadau tymor eu trefnu ar ddydd Mercher, er mwyn caniatáu i bobl nid yn unig gystadlu yn BUCS a chynrychioli'r Brifysgol, ond hefyd fel gall pobl gyfranogi yn yr amrywiaeth eang o gymdeithasau, cyfleoedd gwirfoddoli a chwaraeon sydd gan yr Undeb i'w cynnig.

Byddai pleidlais i mi'n bleidlais dros osod cyfleoedd myfyrwyr ar ben rhestr flaenoriaethau'r Brifysgol.

As a president of both a sports club and a society I am passionate about the opportunities given to students. I have seen the SU work hard to provide as much as they can but it appears they are hamstrung by lack of investment and attention given to student opportunities by the University. My main objective for the year would be to get the university to respond to some of the difficult questions about student opportunities such as the deteriorating facilities and seeming lacklustre efforts at representing student opportunities, in hope, to secure future commitment to funding opportunities.

On top of this I'd like to continue to build on the hard work done this year to negotiate the price of the Sporty Card. Also I'd like to see that no essential academic scheduled or unscheduled activities such as seminars and term examinations are allowed to be on Wednesdays to allow not only for people to compete in BUCS and represent the University but for people to partake in the wide variety of societies, volunteering options and sports that the Union has to offer.

A vote for me would be a vote to put student opportunities as the Universities top priority.

The background page shows a list of candidates with their names, profile pictures, and a list of their campaign points. The modal window for Steffan Huw Jones is currently open, showing his publicity statement in both Welsh and English. The page also includes a 'Close' button for the modal window and a 'Why vote for me?' link for each candidate.

Tell them what they need to know

- Your name, the position.
- To vote you #1.
- Where and how they can vote.
- The dates.

Photos!

- To be taken today!
- x2 photos – one plain and one fun, both taken against a white wall and ideally from the shoulders and above well-lit area (Do not wear any items of clothing with the Union or University logo).

Speak to students

“Voters contacted face-to-face were 21 percentage points more likely to vote for the candidate after speaking with them for fewer than 10 seconds, compared with those left alone”

“The experiment found that voters called on the phone or sent postcards were not noticeably more likely to vote than those sent nothing. But canvassing was different. Just one in-person conversation had a profound effect on a voter’s likelihood to go to the polls, boosting turnout by a whopping 20 percent (or around 9 percentage points)”

“We find that a brief visit by the candidate dramatically increases the support for the candidate regardless of the nature of the message delivered. The actions of candidates seem to speak louder than words”
