Policy lapsed: 30/11/2023

Status: Lapsed

Officer Responsible: Opportunities Officer

### **Summary**

Use RAG funds to help Aber students.

### **Details**

RAG has been changed to now fund a central wellbeing pot to go towards the wellbeing of all aber students. I think that this should stay in place as a legacy in Aber, to represent the community we are a part of and to show the aber family as helping one another. The key aspect is to ensure that Aber students are helping Aber students. This wellbeing pot can be used by officers of the su to support many different ideas to keep our students healthy and happy.
