

Ensure that the Welsh language is an important factor in the University and the Undeb's discussions.

- Work with the University to integrate the Welsh language into their strategy for the future.
- Work with the Academic affairs officer to develop an academic rep system that makes sure Welsh language students are heard.
- Consider how we can celebrate and promote the Welsh language and culture across the calendar.
- Ensure accessible opportunities for students to immerse themselves in Welsh culture and learn the language withing the University and Undeb.
