

Annual General Meeting – Not Quorate
Monday 4 December, 6pm
Students' Union Main Room

We'll catch you next time...

Unfortunately, our AGM on 4th December was cancelled due to low attendance. An AGM cannot proceed without 100 current students, and a student Council cannot proceed without 50 Council members. A big thanks goes out to those who joined us on the evening and for waiting patiently whilst we confirmed numbers.

The next meeting will be a Student Council on 29th of January and Ideas submitted to AGM will be raised then. Keep your eyes peeled for more information!
