What is the Tîm Aber Accreditation Scheme?

The Tîm (Team) Aber Accreditation Scheme is Aber SU's way of recognising the development of our Clubs and Societies, alongside celebrating the brilliant things that they achieve. Whether you are a Sports Club or a Society, our scheme helps you benchmark your development, ensure that you offer the best possible experience for members and supporters, build sustainability, boost your reputation and gain access to a number of group perks.

How does it work?

Any student group affiliated to Aber SU can take part. Your group can achieve 4-star, 3-star, 2-star or 1-star accreditation.

Simply:

- Submit evidence in the accompanying folder on MS Teams
- Staff will review the submitted evidence termly and update accordingly. Alternatively, email your Student Opportunities Officer (suopportunities@aber.ac.uk) when you think you have reached a new level of accreditation
- You can track your progress above as you work through the scheme

Whilst the biggest benefit of taking part in the scheme is a highly effective student group, rewards are offered to those who gain accreditation.

Potential Barriers

Two categories: (1) barriers to becoming involved and (2) barriers to staying involved

Attitudinal

e.g. stereotyping; stigma, prejudice, and discrimination; poor group dynamics (i.e. appearing to be exclusive)

Communication

e.g. difficulties finding out about your group, not clear about how to get involved, what is involved and what to expect. Using limited communication modes (i.e. just one form of social media) and being monolingual. Members unable to voice concerns or frustrations, alongside not receiving feedback from members

Physical

e.g. using inaccessible/inconvenient spaces, not having the right equipment, using outdated equipment, transport challenges, costs, group at capacity

Social

e.g. social norms, values & behaviour; social taboos, cultural limitations, fear/intimidation/confidence
